

# Fill the blank spaces

In this assignment, you are going to see some texts with different amount of words. Your goal is to fill in the blank spaces. If you want to, you can write all your answers directly on this paper.

## 1. Read the text and fill the blank spaces with the words in the box.

### How does internet websites work?

You use internet every day (at least most of us do). Wheter it is for \_\_\_\_\_ the weather or for watching TV, \_\_\_\_\_ access internet somehow. Data on internet, like movies or websites, are stored on a web server somewhere in the world. That server is the home for one or two websites. The server transmitts data when you visit the website – and that loads the content into your web browser. This is just a simplified \_\_\_\_\_ of the process, but at least you \_\_\_\_\_ a little more now (hopefully).

Use these words to fill the blank spaces:

Checking

Description

You

Know

## 2. Fill the missing information in the blank spaces using the text.

### About the "Burj khalifa" tower

This tower is the tallest building in the world – at least in 2018. "Burj khalifa tower" is 828 meters tall.

It was expensive to buid – about 1,5 billion dollars, which equals about 12,2 billion Swedish Kronor (SEK). The tower itself has 57 elevators and 162 floors. This building is located in the city Dubai. It was completed in the beginning of 2010 after about 6 years of construction.

Now, fill in the blank spaces in this information:

Worlds tallest building:

Name: \_\_\_\_\_.

Building cost: \_\_\_\_\_ Swedish Kronor (SEK)

Location: \_\_\_\_\_.

Construction time: About \_\_\_\_\_ years.
