

Mike's Ranch Motel

If you are riding down one of those wide country roads that never seem to end in California, USA, you may come across a somewhat aged wood sign saying "Vacancies".

Welcome to Mike's Ranch Motel!

This is where you come in! Your assignment is to write a description for the hotel guests to follow using the reference map provided by your teacher.

The "A" marker on the map represents the location of the ranch.

The "B" marker on the map represents the location of the wooden sign to the ranch.

The red trail/line shows the way to the ranch.

Use the area below to write, and good luck!
