My day

Hi! My name is Kevin and this is a story about my day. Today, it is Monday. I wake up early. My parents have breakfast ready. I put on clothes, a red T-shirt and a gray hoodie. I also put on socks, underwear and blue jeans. After that, I eat breakfast. Two sandwiches. At 8 o´clock, I go to school. My school is really huge. It is close to my house. When I get there, I say hello to my friends and my teacher. The first lesson is English. I really like it.

After I couple of lessons, it is lunch time. I look at the clock. It says 11. I feel hungry.

The lunch is delicious. Pancakes with jam and cream. My favorite. Mmm, yummy!

On the lunch break, I play basketball with my friends Alex and Kenna. Then, it´s time for the afternoon lessons.

After school, I go home to Kenna, my friend. We play computer games and have fun. When it is time for dinner, my mum picks me up. At home, I eat dinner. Spaghetti and meatballs. My other favorite food!

After dinner, I play some computer games and watch

TV. Then, it is bedtime.

Good night! And what a nice day I had.
