

Paragraph Reading

This assignment is like a "normal" reading assignment, but the questions are after each paragraph and not at the end of the text. Have fun reading!

Hotel Luxury in London

There is a new hotel in London! It is almost 100 feet tall and there are over 300 rooms in the building. At the roof, there are an area for concerts and events and you can also find a nice restaurant there.

The hotel lobby and areas are also really nice and everything is brand new. The entrance alone has over a hundred different plants and three big lobby disks.

1. Now, answer the questions related to paragraph one in the text:

How tall is the hotel? _____ feet.

The roof has ONE or TWO restaurants. Mark your answer.

You can find lots of different _____ in the hotel lobby.

You might be wondering how I know all this. I am the hotel manager, which basically means that I am the boss at the hotel here. I make sure that everyone does their job, that everything works and that the guests are happy, which they are. I also talk a lot with the guests and answer their questions.

Answer the questions related to paragraph two below:

1. What does this person work as? As the _____.

I start every day with a cup of coffee and a walk around the hotel. I check all the floors, make sure everything works and I also talk to the chefs about today's breakfast.

Then, I go to the lobby as most people check in at the morning. There are usually about a hundred people arriving to the hotel in the morning only!

3. Answer these questions about paragraph three:

1. What does this person do in the afternoon? Choose an option:

Talk to the chef Welcome new guests Check the floors All of the options.

After all the people are checked in, I eat some lunch in our hotel restaurant together with the employees. The lunch is great here and guests also eat with us sometimes. At least they sit in the restaurant and eat the same food as we do. That is good, because as a hotel manager, you have to make sure that the food is great too.

After an afternoon of mixed work, I go home at 3 PM, although there are employees at the hotel every hour of the day, every day in the year.

That is some facts about the job as an hotel manager!
