The activity "Camping"

Have you ever tried out the fun activity "Camping"? Camping is pretty easy to do and it is fun. When you go camping, you go to a special place, like a camping place or somewhere else where you are allowed to sleep. You have a tent that you sleep in. A tent is like a little house that gives you a nice place to relax in. Tents are usually small, but there are bigger tents as well. Often, you have to build your tent on the camping place, because it will not be easy to carry otherwise. Just read the mounting instructions and it will be easy. When you are going camping, you should bring some other things, like water, a map of the forest and other things that you need. Have fun camping!
